

Coronavirus (COVID-19) Update & Closure

Dear Valued Customer,

We are following City Of Houston guidelines and will be TEMPORARILY be closing the facility starting March 25th thru April 3. We will resume regular business hours starting Saturday April 4.

As the situation changes and more information becomes available, we will continually evaluate and adjust our response.

Please be assured we are saddened by this decision and hate to close for this period; however we will be up and running very soon! We hope that everyone stays safe and we look forward to seeing all our customers and friends very soon.

Should anyone need us during this TEMPORARY closure please feel free to reach out to us via email to theshop@divetechhouston.com

Sincerely

Edward Luedtke
